30 March 2021

Good afternoon parents and carers

We have been advised by Lismore City Council that as from today, 30 March 2021, there will be a drive through COVID-19 testing station set up in the Baseball Grounds carpark across the road from our school.

The decision regarding a testing clinic is one managed by NSW Health. The carpark is Crown Land. Additional traffic management and student safety measures are in place and will remain in place while the Drive Through facility is operating. The principal will monitor the safety of students and contact the Lismore City Council Manager People and Safety should adjustments be required to be made to ensure greater safety of students. The requirement for a Drive through Clinic is made for the safety of the whole of the Lismore community by NSW Health.

Questions or feedback to NSW Health should be directed to Service NSW telephone number 137788. Questions about local traffic management should be directed to Lismore City Council 66250500.

Yours sincerely
Jenni Smedley
Principal
