Term 4 - Week 1 17/10/2018

"We would like to respectfully acknowledge the Bundjalung people who are the Traditional Custodians and First Peoples of the Land on which our school stands."

5-6 Green

Dragon Eggs

Students in Year 5-6 have been getting creative with their writing and designing their dragon egg profiles. Students based their description of each egg off the ten eggs from the Harry Potter series. The inclusion of descriptive language was a key focus for this piece of writing.

Ukranian IronBelly

This egg is 20cm wide and 30cm tall. The egg is found on the bottom of the Artic Sea. The egg is an ice blue colour with small, black spikes at the top of it.

The fully grown Ukranian IronBelly is 10m tall and 5m wide with black sharp teeth. It has ice blue scales that spike up when threatened. The dragon has thick skin that protects it from the cold.

I rate this dragon a 5 so don't go near it!!!!

Ukranian IronBelly

The Ukranian IronBelly is found in Ukraine or clear sacred rivers. It is a blue large spikey egg that kinda looks like a pineapple but blue with a prismatic texture. The egg is very strong like iron just like the dragon its self as well.

When the egg hatches the dragon crawls out and goes looking for food. The dragon is aqua green, white and scaly with horns and big clawed feet. This dragon can grow up to be 9m length, 1m width and 2m tall. The dragon is a river type, it protects rivers and offers rides for people to cross rivers for safety if needed, for this dragon can fly up to cloud level. This dragon can live up to 5000 years of age also with the power to turn into a human at age 5.

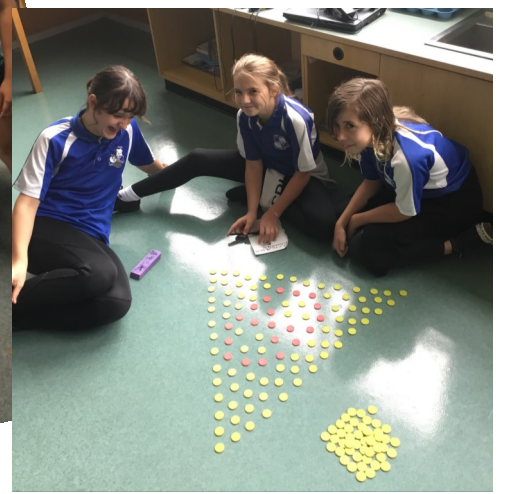

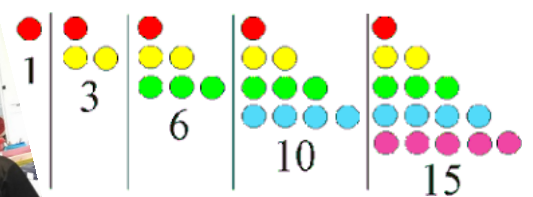

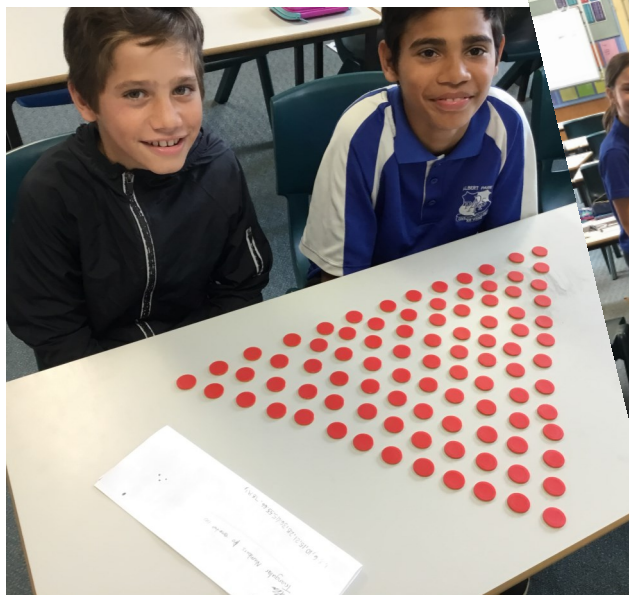

The Ukranian IronBelly is very strong and protective but very friendly and would be good to keep as a pet.

If I had to rate this dragon and the lowest is the friendliest and the highest is most dangerous I would rate it a...

1/10

Triangular Numbers - A number that can make a triangular dot pattern.

During numeracy groups students have been working on identifying triangular numbers. Students used counters to create a model and record the amount of triangular numbers there are from 1 to 100. Their research found that there are 13 triangular numbers. They are 1, 3, 6, 10, 15, 21, 28, 36, 45, 55, 66, 78, 91.

**Welcome back to Term 4.
I hope all the children had a lovely holiday and are ready for another BIG term.**

MANIFOLD SCIENCE DISCOVERY ACTIVITY DAY

APPS will take part in a Science Discovery Voyager Activities Day with Manifold Public School on Wednesday, 31 October from 9.15am to 2.30pm. Students will travel by bus to Manifold P.S where a team of scientists and science educators from UNE will deliver exploratory, interactive and play-based activities, encouraging students to direct their own exploration and discovery all aligned to the syllabus and year level. The cost of the excursion is \$8.00. A permission note will go out early next week.

MESSAGES FROM THE PRINCIPAL'S DESK

BUS PASSES

School student applications for 2019 opened from Monday, 15 October 2018.

Students progressing to Year 3 and Year 7 **do not** need to re-apply if they:

- are continuing at the same school
- are residing at the same address
- have not been sent an expiry notification from Transport for NSW.

Where a student meets the new distance eligibility, the system will automatically update their entitlement. If they do not meet the new eligibility, they will receive an expiry notification.

If students need to update their information or re-apply, they should go online to

<https://apps.transport.nsw.gov.au/ssts/updateDetails>

HALLOWEEN DISCO

Our Halloween Disco will be held on Wednesday, 31 of October at 4.30pm. Children are invited to come along dressed up for Halloween. Younger pre-school siblings are invited to attend with parent supervision. The disco will go from 4.30pm - 5.45pm and then a sausage sizzle at 5.45pm to finish the night. The cost of the disco is \$3.00 which includes disco entry, a sausage sandwich and a drink.

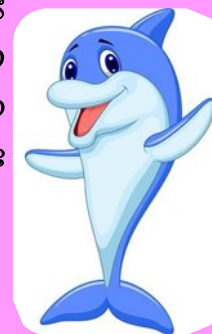

FRASER ISLAND EXCURSION

Our Years 3-6 students are becoming very excited as they leave for their excursion on Tuesday, 23 October. A reminder that students need to be at school by 6.00am. The bus is departing at 6.30am on the dot as they have to make the Port of Brisbane by 9.00am.

All payments should be finalised by this Friday. If

you have money

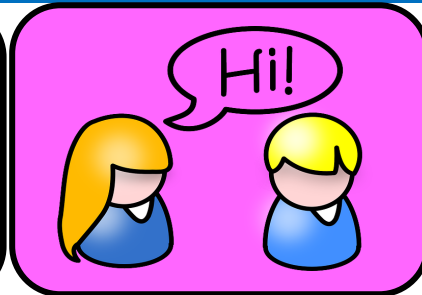

outstanding please contact the school.

BE SAFE.

**PBL WEEK 1
BE RESPECTFUL
SPEAK NICELY TO TEACHERS
OTHER CHILDREN &
BUS DRIVERS**

Message from Kindergarten

Welcome back for the final term for 2018. I hope everyone had an enjoyable holiday. Thank you to all parents and carers who continue to home read each night with your child, it really makes a difference and supports the learning to read journey. Near the end of this term Kinder students will visit the St Joseph's nursing home here in Lismore and bring some Christmas cheer to the residents. A big thank you to Graham from Waller's Bus Company who have once again covered the cost of transport to and from the venue. We will be singing them a few songs and sharing Christmas stories with them too. I did also hear a whisper that Santa Claus may come and visit us here at Albert Park at the end of term.

Regards Mr Mack

Albert Park Public School

With Laura Jean Fundraising

On Saturday, 17 November the P & C are holding a Family Portrait Day. For \$20 (which goes to the school!!) Families will receive a framed

A4 Photo. It is such great value and a great way to earn some money

to support our kids. There is an opportunity to purchase more photos,

which will make fantastic Christmas gifts. Payment is required before the day

and booking forms will be sent home early next term. If you would like more information

please contact Sharon Lane on 0466388422 or lanesharon@hotmail.com. SAVE THE DATE !!

Seven new school zone traffic offences

To help schools keep the school zone safer for all pedestrians and drivers there are seven new traffic infringements with new fines.

None of the seven offences attract demerit points when committed elsewhere on the road but in a school zone they each come with two points.

The changes are:

1. Stopping in intersection - Under the changes if a driver commits this offence in a school zone they will receive a penalty of \$439 and 2 demerit points.
2. Stop within 20m of intersection (traffic lights) - Under the changes if a driver commits this offence in a school zone they will receive a penalty of \$439 and 2 demerit points.
3. Stop within 10m of intersection (no traffic lights) - Under the changes if a driver commits this offence in a school zone they will receive a penalty of \$439 and 2 demerit points.
4. Stop near bicycle crossing lights - Under the changes if a driver commits this offence in a school zone they will receive a penalty of \$439 and 2 demerit points.
5. Obstruct access to ramp/path/passageway - Under the changes if a driver commits this offence in a school zone they will receive a penalty of \$330 and 2 demerit points.
6. Not parallel park in the direction of travel - Under the changes if a driver commits this offence in a school zone they will receive a \$330 fine and 2 demerit points.
7. Parallel park close to dividing line - Under the changes if a driver commits this offence in a school zone they will receive a \$330 fine and 2 demerit points.

All updated school zone offences can be located through Roads and Maritime:
<http://www.rms.nsw.gov.au/documents/roads/safety-rules/demerits-school.pdf>

Are you ready to Go4Fun?

Go4Fun® is a healthy lifestyle program for children aged 7-13 years who are above a healthy weight, and their families. Programs run during school term and are led by trained, qualified health professionals.

Learn tips for a healthier life – all for **FREE!**

TESTIMONIALS

"My daughter Katlin did this program last term and I would recommend it to everyone. It has really changed her life. All I can say is I am so thankful to the Go4Fun program. It really is an excellent program for the kids and us parents."
 -Chissy Kellett, Go4Fun mom

"I love, love, love (x1,000,000) this program."
 -Go4Fun child

WHAT HAPPENS ON THE GO4FUN PROGRAM?

The program consists of 10 sessions, delivered once a week, for 21 weeks. Highlights include:

- Fun games and activities for children.
- Interactive discussions to support your family to make healthier lifestyle choices.
- Practical demonstrations, games and tips on healthy foods, label reading and portion sizes – including a supermarket tour!

WHO CAN JOIN GO4FUN?

- Children aged 7 to 13 years who are above a healthy weight.
- A parent or carer must be available to attend each session.

NOT SURE IF YOUR CHILD IS ABOVE A HEALTHY WEIGHT?

- Speak to your healthcare provider to check if your child's weight status.
- Alternatively, you can call 1800 780 900 to see if your child is above a healthy weight.

WHY JOIN GO4FUN?

- Get expert advice on healthy eating
- Get active playing fun games
- Make new friends
- Build confidence
- Make changes as a family
- Support on goal setting to achieve change
- All for **FREE!**
