

"We would like to respectfully acknowledge the Bundjalung people who are the Traditional Custodians and First Peoples of the Land on which our school stands."

Welcome to 1 Blue!

We have had an amazing start to our year with each class member getting to know a bit more about one another.

We have started our literacy rotations and particularly like to use the whisper phones to hear our own voices clearly and move the magnetic letters to make our spelling words. Fun, hands on activities have also been the highlight of our numeracy sessions to learn more about numbers and assist with skip counting. It has also been exciting to move our bodies in fundamental movement skill sessions and begin to play the guitar in CAPA groups. It is going to be a great year!!

BE A LEARNER

Well done to all our students who took part in the swimming carnival. All our students tried hard and had a wonderful day with lots of ribbons won. Well done to Patience who won Senior Girls Swimming Champion.

Baseball Skills Day

We will be participating in a Baseball skills day next Friday, 26 February. There is no cost and children will be walking across to the baseball grounds. If you do not want your child to attend, please contact the office. Children will need to have returned their long term permission note to attend.

Also see following flyer...

MESSAGES FROM THE PRINCIPAL

Congratulations

Well Done to Mr Wilton who graduated on Saturday. We wish him all the best in his teaching career.

Long Term Permission Notes.

Many students have not returned their long term permission note. If you have not returned it, could you please send it in tomorrow as there are a lot of activities outside of the school grounds coming up and if they have not returned their note they will be unable to attend.

Tuesday, 23 February 3:30
We will be meeting with parents to write our Aboriginal Personal Learning Plans and our Individualised Learning Plans this coming Tuesday, 23 February at 3:30pm. Please contact the office to RSVP. It is important that parents attend these meetings to work with teachers to give our students the best support possible. Light refreshments will be available.

Jamal, Maya and Jasmine came to my office today to show me their wonderful work. I love it when our students are doing so well in class.

BE RESPECTFUL
