

"We would like to respectfully acknowledge the Bundjalung people who are the Traditional Custodians and First Peoples of the Land on which our school stands."

Kindergarten Yellow have been very excited about returning to school. They have been busy creating amazing art work and writing about where they would like to go on an adventure in a hot air balloon. All students are working hard to get back into school routines and should be proud of their efforts.

BE A LEARNER.

Return to face-to-face Learning

It has been wonderful having all our children back at school this week after the Stay at Home Orders were lifted. We are currently under Level 3 restrictions and while it is, at times difficult to operate under these restrictions and our students do not have access to many of the activities they would otherwise be able to do, it is terrific that they have returned happy and enthusiastic to be getting on with their learning.

MESSAGES
FROM THE
PRINCIPAL

Attendance

As we have just had 5 weeks in lock down, it is imperative that your child attends school every day for the rest of the year unless of course they are sick. Teachers will be working hard to address any gaps in students' learning due to lock down so please ensure your child's attendance is a priority for the remainder of the school year.

STEM

As part of the Rivers Academy of STEM Excellence we have been working on technology projects within the school as well as with neighbouring schools and businesses. As part of the Academy, we have been awarded a Public Education Foundation Award for significant achievement in this area. Many thanks to Mrs Mack for driving this program for our students. Below is Stage 2 trialling their solar powered cars they built.

Rewards Day

This Friday we will have Rewards Day. The children have requested a "Bring Your Own Device to School and Mufti Day." Children will be able to bring their device to school and be able to interact with others doing the same thing during the afternoon session. Please remind your child to take their device directly to their class teacher.

BE SAFE.

World of Maths and Life Education have both been rescheduled due to COVID. While we usually try and space these experiences out for our children, they will both now be held in Term 4. Below are the new dates as well as other activities we are hoping will go ahead, COVID permitting.

Halloween Disco – 28 October

Week 5 Rewards Day – 5 November

Life Education – 23-24 November

Year 6 Farewell – 7 December

Carols and Presentation - 8 December

End of Year Reward Day – 13 December

Year 6 Leavers Assembly – 16 December

World of Maths – 14 December

P/T interviews – week of 29 December

Just a reminder that all students return Tuesday, 5 October. Have a safe and lovely holiday.

‘NO SCAREDY CATS’ PARENTING PROGRAM

Ages 2 to 12

Our program runs over **3 sessions** and is based on three under objectives:

- First: by understanding how anxiety develops, parents can contribute to their child's progress.
- Second: parents can take a preventative role in the development of anxiety problems
- Third: there are practical steps parents can take to build resilience.

When: Tuesdays, 9th, 16th & 23rd November

Time: 10am- 12:30pm

**Venue: 41 Wilson Street,
South Lismore**

Bookings essential
Phone Family Support Network 66 212489

Family Support Network inc.

BE RESPECTFUL.

1-2-3 Magic Parenting Group

Who: For parents/carers of children 2-12 years.

When: 11, 18, and 25 of October 2021
(3 Mondays) 10am to 12:30pm.

What: 123 Magic & Emotion Coaching is a free three session parenting course, designed to provide parents and carers with skills to prevent or manage common behaviour problems.

The program also helps parents / carers to build positive relationships with their children and explores ways to make parenting more enjoyable. *Come and meet other parents /carers and share your experiences in a supportive and non judgemental environment !*

Where: 41 Wilson Street South Lismore

Bookings: Places are limited, so please phone 6621 2489 to reserve your place.
